**May Crowning** will take place at all Masses this weekend as we come together to honour our Blessed Mother, Mary. This beautiful tradition invites us to reflect on Mary's faith, humility, and love, and to place our prayers and intentions before her in a special way. **PARENTING TIP #179** Family creates the foundation on which children will build the rest of their lives. Parents are both leaders and models, so children will learn fundamental skills, including relationship skills, from their families. Parents must reflect on whether the lessons they are modelling for their children are ones that will serve them well in their adult lives. Important to parent's role is building within their children a foundation of faith by engaging in prayer, attending Mass, reading the Bible as a family and taking part in acts of service. This development of faith will help guide children's actions as they become more independent. It will also ensure they understand that God is always with them.

**Pope Leo's Prayer Intention for May:** That everyone might have food. Let us pray that everyone, from large producers to small consumers, be committed to avoid wasting food and to ensure that everyone has access to quality food.
